

52. HEAVY DUTY WORK GLOVES

Specifications

Qualitative Requirements	Picture of Equipment
<p>a) Material:- Made of fine leather, flexible</p> <p>b) Application :- Capable to work with hand held machine</p> <p>c) Size :- Medium, Large and Extra Large</p>	 A photograph showing a pair of yellow, heavy-duty work gloves. The gloves are laid flat on a white, crinkled plastic surface. They appear to be made of a thick, textured material, likely leather or a synthetic equivalent, and have a simple, functional design with visible stitching at the wrist and fingers.
