

INVITATION OF EXPRESSION OF INTEREST (EOI) FOR NDRF EQUIPMENT

NDRF is the lead federal force responsible for responding to all types of natural and man-made disasters. NDRF acknowledge the importance of having reliable equipment to enhance the efficiency and effectiveness of rescue operations.

2. NDRF now intends to procure Containers for containerizations of equipment. Accordingly, NDRF has prepared a draft technical specification for Containers to enhance the efficiency and effectiveness of rescue operations. The draft specification is appended as **Appendix- A**.

3. In this context, NDRF invites Expressions of Interest (EOI) from eligible manufacturers, suppliers and vendors to submit their comments/suggestions on the specifications. In case these specifications do not match with the available equipment in the market, the same may be highlighted and the specification of the equipment available in the market may kindly be provided with the same functionality. The purpose of the EOI document is to provide necessary information to NDRF so that genuine and generalized specifications can be framed and finalized for further procurement, and no gap exists in the specifications of the items available in the market out the specifications floated in the bid by NDRF.

4. This EOI is not an offer by NDRF or a tender document but it is an invitation to receive responses from eligible manufacturers, suppliers and vendors in the industry the draft specification framed by NDRF.

5. **Eligibility Criteria:** The minimum eligibility criteria for an entity to participate in the EOI is as follows:

- i. The entity must be a manufacturer or vendor/supplier/dealer registered in India under relevant applicable Acts and Laws.
- ii. The entity must have some experience in the supply of such equipment.
- iii. NDRF may call manufacturers, suppliers and vendors to conduct the demonstration/field trial of such equipment if needed before finalizing the specification.

6. **Documents to be submitted:** The following documents are required to be submitted as part of the response to this EOI

- i. Documents supporting Eligibility Criteria as mentioned above.
- ii. List of equipment/catalog with detailed technical specifications along with estimated cost if possible.

7. Eligible manufacturers, suppliers and vendors who have the competence and experience to carry out such work are requested to submit the EOI along with supporting documents by 08 /09/2024.

Important timelines:

Event	Timeline
Last date of submission of responses	<u>08</u> /09/2024

Second-In-Command (R&D)
HQ NDRF

No. I-17018/R&D/2622/HQ NDRF/2024 - 43

dated: 30 /08/2024

Specification of the containers :-

1. Material of the box should be fiber reinforce plastic.
2. It should have corrosion free nylon pins in hinges and all other attachments to the box.
3. It should have manual pressure release valve.
4. It should have PVC water proof ID removable level customize as per the choice of buyer.
5. It should have whole support double pad locking on the lid and storage section.
6. It should have water tight seal around the lid.
7. It should have full length hinges thick body material made of corrosion free metal or FRP.
8. It should have load tested customize soft grip handle on the box as per the load capacity of the box..
9. It should have sufficient numbers of easy to open double throw latches as per the dimension of the box.
10. It should be dust proof, water proof, shock proof, vibration tested, temperature test (-30 to 90° C) and IP rating 67.
11. It should have XLPE (Cross -linked polyethylene) Customized foaming (density minimum 70 kg/m³) inside the box as per the dimension of the equipment.
12. It should have concealed moveable heavy duty wheels as per the dimension and load capacity of boxes.
13. Branding outside the box is to be done as per the requirement of the buyer.
14. It should have stackable interlocking system.
